EDUCATION

Master of Computer Application (Specialized Cloud Computing) | Hindustan Institute Of Technology And Science | **Currently Completed** | **9.72 CGPA** | 2026

Bachelor of Computer Application | R.B.Gothi Jain College for Women | **Graduate with 8.7 CGPA** | 2024

12th | Sri Jay Narayan Intermediate College | Uttar Pradesh State Board | **75.6%** | 2021

10th | Sri Jay Narayan Intermediate College | Uttar Pradesh State Board | **72.5%** | 2019

EXPERIENCE

CodeAlpha | Internship | One Month

Frontend Development

19 Jun 2025 – 19 Jul 2025

Developed a Calculator using HTML, CSS, and JavaScript for basic arithmetic operations; created a responsive Portfolio Website to showcase skills and projects; and built a JavaScript Music Player with play/pause, progress bar, and playlist features.

Research Department (HITS) | Internship | One Month

AI/ML

05 Aug 2025 – 05 Sep 2025

Developed a Corporate Tax Fraud Detection Dashboard uses machine learning to detect potential tax fraud from company financial data. It allows secure login, CSV uploads, visual analytics, and report generation, helping identify fraud patterns for audit and compliance.

PROJECT

Zero Touch Hotel - Smart Entry and Exit

2025

Zero Touch Hotel - Smart Entry and Exit is a digital hotel management system that enables guests to check in, book rooms, upload ID, make payments, and access room all without front desk interaction. Designed for hygiene, safety, and efficiency, it provides a Secure, Scalable, and Contact-less hotel experience.

Indian Government Income Tax Fraud Detection using Machine Learning

2024

This project focuses on using boosting algorithm within machine learning to identify potential instance of income tax fraud using Python and Anaconda. During my one week training.

SKILLS

Web Development: HTML5, CSS3, JavaScript, Bootstrap, React.js

Programming Languages: Java, Python, C++

Databases: MySQL, MongoDB

Cloud (Learning): AWS, Azure fundamentals

Developer Tools: Visual Studio, PyCharm, Eclipse

Libraries: Pandas, Numpy, Streamlit, Sklearn, Xgboost, Seaborn, Matplotlib, ReportLab, OS, Datetime

Soft Skills: Problem-solving, Quick learner, Adaptive, Teamwork, Communication, Learn New things

Language: Hindi, Tamil, English

CERTIFICATION

- Digital Training on MS Office 365 Productivity(2023) by Naan Mudhalvan
- Concept of Cloud Computing(2025) by NPTEL
- Introduction to Algorithms and Analysis(2025) by NPTEL
